08 The Cable Bag
Cables, adapters & power, all in one — p. 10

SOUND SYSTEM

B&L BL-7012DSP Speakers

12" powered PA speakers with DSP · sold as a pair

MATCHED PAIR

A matched pair of 12" two-way powered PA speakers with a built-in DSP equalizer and Bluetooth. Set them up as a stereo left/right system for clean, full coverage across the room or out on a terrace. Self-powered, so there's no separate amplifier to haul or wire.

GREAT FOR

- Parties, weddings and DJ sets
- Talks, workshops and conferences
- Indoor rooms and outdoor patios

QUANTITY **2 speakers**	POWER **350W RMS**
WOOFER **12" 2-way**	PROCESSING **DSP EQ**
WIRELESS **Bluetooth**	INPUTS **XLR + 1/4" jack**

SOUND SYSTEM

Yamaha MG12XU Mixer

12-channel mixing console with built-in effects and USB audio

The control center for your event. Run multiple mics, a DJ, a laptop and a phone at once, then dial in each source with EQ and one-knob compression. Yamaha's SPX effects add reverb or delay to voices and music, and the USB connection lets you record or livestream the mix straight to a computer.

GREAT FOR

- Panels and conferences with several speakers
- Live bands and acoustic sets
- Recording or streaming your event

INPUTS **Up to 12**	MIC PREAMPS **6 D-PRE**
EFFECTS **24 SPX presets**	USB AUDIO **2-in / 2-out**
PHANTOM POWER **+48V**	COMPRESSORS **1-knob, ch 1-4**

WHAT'S INCLUDED

- Mixer and power cord

DJ SETUP

AlphaTheta DDJ-FLX2

Compact 2-channel DJ controller

A light, portable controller from the makers of Pioneer DJ gear. It plugs into a laptop, tablet or phone and works with rekordbox, djay and Serato DJ Lite. Smart Fader and Smart CFX make smooth transitions easy, so guest DJs and first-timers can sound great right away.

DECKS	**2 channels**
CONNECTION	**USB-C**
SOFTWARE	**rekordbox / djay**
OUTPUTS	**Master + phones**

GREAT FOR

- House parties and socials
- Guest or rotating DJs
- Background music with live mixing

WHAT'S INCLUDED

- DDJ-FLX2 controller
- USB-C to USB-C cable

MICROPHONES

Phenyx Pro UHF Wireless Mics

Fixed-frequency wireless microphone system

Plug-and-go wireless mics for hosts, speakers and performers. Fixed UHF frequencies mean no scanning or pairing at the event: switch on and talk. The all-metal receiver and mics are built for regular use, and each channel has its own volume control.

BAND
UHF, fixed

RANGE
Up to 260 ft / 80 m

BUILD
All-metal

VOLUME
Per channel

GREAT FOR

- MCs, hosts and announcements
- Speeches, toasts and panels
- Karaoke and live vocals

WHAT'S INCLUDED

- Wireless receiver + antennas
- Handheld wireless mics
- Power adapter and audio cable

LIGHTING

RGB Stage Par Lights

36-LED color uplights · set of 2 with remotes

SET OF 2

Bright RGB par lights that transform a plain room into a party. Wash a wall with one color, light up the dance floor, or switch to sound-active mode so the lights pulse with the music. Each light has its own remote, and both work with DMX controllers for programmed shows.

GREAT FOR

- Dance floors and DJ sets
- Wedding and venue uplighting
- Stage and band lighting

QUANTITY **2 lights**	LEDS **36 RGB each**
MODES **9 incl. strobe**	CONTROL **Remote + DMX512**
MUSIC SYNC **Sound-activated**	MOUNTING **Floor or bracket**

WHAT'S INCLUDED

- 2 par lights with brackets
- 2 remote controls

PROJECTION

Ablink Smart Projector

Native 1080P projector with WiFi and Bluetooth

Put slides, videos, lyrics or live visuals on the wall. This compact smart projector streams over WiFi, connects to laptops and phones by HDMI or screen casting, and sets up in seconds with electronic focus and keystone correction. The built-in stand rotates 180° to aim at a wall or ceiling.

GREAT FOR

- Presentations and workshops
- Movie and watch nights
- Visuals behind a DJ or band

RESOLUTION **Native 1080P**	SCREEN SIZE **18" to 230"**
WIRELESS **WiFi + BT 5.1**	INPUTS **HDMI, USB, AV**
SETUP **E-focus + keystor**	NOISE **Under 35 dB**

WHAT'S INCLUDED

- Projector with stand
- HDMI cable

CONTENT & VIDEO

Capture the event.

Gear for smooth phone video, steady shots and creative angles

STABILIZER

Hohem Gimbal

Motorized phone gimbal for smooth handheld video. Walk through the crowd, follow a performer or film a recap reel without shaky footage.

STAND

Jmary Tripod

Full-size tripod for locked-off shots: livestreams, speaker recordings, or a steady wide shot of the whole room. Packs into its own carry bag.

OCTOPUS STYLE

Flex Tripod

Bendable legs wrap around railings, poles or speaker stands, so you can mount a phone or small camera almost anywhere.

Tip: pair the gimbal or tripod with the mixer's USB output to record or livestream clean audio alongside your video.

RENTED AS ONE KIT

The Cable Bag

Every cable, adapter and power connection you'll need, packed and ready.

Running out of the right cable is the fastest way to stall an event. The Cable Bag is stocked so you can connect speakers, mixer, mics, a DJ controller, laptops and phones, and power it all, without a last-minute run to the store. It's rented as a single kit with its own price.

AUDIO CABLES

- 6× Long XLR cables
- 2× Jack to jack
- 1× Aux to female XLR
- 1× Aux to male XLR
- 1× Male XLR to jack
- 1× Female XLR to jack

ADAPTERS

- 1× Jack to aux
- 1× Aux to jack
- 1× XLR male to male
- 1× XLR female to female

POWER

- 2× Power blocks
- 2× Power strips
- 1× 4 ft extension cord

21

pieces in one bag

BOOK YOUR GEAR

Rent a piece, or the whole setup.

Mix and match any items in this catalog, or take everything for a complete sound, DJ and video setup. Tell us about your event and we'll recommend what you need.

1 **Tell us your event**
Date, venue, number of guests and what's happening (DJ, talks, live music, filming).

2 **Pick your gear**
Choose individual items, the Cable Bag, or a full package.

3 **Confirm & enjoy**
We confirm availability and pricing, and you're ready to go.
